The School of Drama at the University of Washington uses a wide variety of technologies in day-to-day operations. The navigation bar above links to pages that are intended to provide current faculty, staff, and students with an overview of what is available. Prospective faculty, staff, and students are welcome to browse and see how we put technology to use.

Gretchen Shantz, Computing Specialist
Hutchinson Hall, Room 101 (Front Office)
(206) 221-1597

gshantz@uw.edu
