

<b>UNIVERSITY OF WASHINGTON SCHOOL OF DRAMA</b> <b>CORE REQUIREMENTS - BA Degree in Drama</b>
--

Admission to drama major status requires completion of Drama 251 and Drama 201; one from Drama 210, 211, 212, 213; and one from Drama 290, 291, 292. A student must receive an overall GPA of 2.50 or higher for the four courses. Priority registration in these core courses is given to drama majors and intended drama majors. Intended drama majors must meet with the Drama Advisor and get their name on the intended majors list.

Drama Majors who fall below a 2.00 GPA in Drama courses will be placed on probation for one quarter. If the student does not raise the GPA to a 2.00 after that time, he or she will be dropped from the major and returned to pre-major status. Students dropped may petition the School of Drama for readmission.

Undergraduate majors are required to take a core of theatre performance, history/theory, and design and technical courses plus drama electives at the 300-400 level. Students will then choose to study a BA in Drama or a BA in Drama with one of the options listed below. The student must also satisfy the General Education requirements established by the College of Arts and Sciences. Awarding the BA degree requires a minimum of 180 credits and a minimum 2.00 grade-point average.
